FIXED INTERNET FOR BUSINESS WITH SUPER-FAST SPEEDS

Spirit Lit is a fixed Internet service for business, in buildings where our network is already available.

It gives you a super-fast connection to our own independent optical fibre and switched network. It's reliable, affordable, and it's off-the-charts fast.

Spirit Lit also works perfectly with our Unified Communications Solution – Spirit Cloud UC. That means we can help with your phone and cloud needs as well. It also means your communications package will be smarter, more efficient and cost effective, even if you're working remotely.

WHY CHOOSE SPIRIT LIT?

- ✓ Australia's fastest-rated Internet*
- ✓ Enterprise-grade symmetrical bandwidth
- ✓ Plans from 50Mbps up to 1Gbps and beyond**
- ✓ Low latency
- ✓ Unlimited data
- ✓ 12, 24 & 36 month terms available
- ✓ 24/7 technical support
- ✓ Faster to install than traditional in-ground services
- ✓ Easily scales up and down
- ✓ Enterprise-grade Service Level Agreements

WHY CHOOSE SPIRIT?

Good question. Because we invest in the most exciting technology around. We don't compromise on reliability, performance or accessibility and we make the seemingly impossible, possible. You benefit from services that will help your business be more productive. You'll also have happier employees and customers. It's a win-win-win.

A BIT ABOUT US

Put simply, we're an ASX listed provider of super-fast Sky-Speed Internet, Managed IT services and cloud-based solutions. We've been 'tech providing' Australian businesses since 2005, acting as a one-stop-IT-shop to power thousands of the nation's leading brands to the next level. We'll make sure your business can work, communicate and connect without disruption. We're built on an ethos of being different to be better, which is why we have everything to support your business growth now, and into the future.
